

# Harey

.....

Help your kids or students create their own bunny with these cute decorations. Simply follow the steps below.

Before you begin, collect the following materials from around your house or classroom:

- Classic White Dinner Plates
- Classic White Bowls
- Scissors
- Colored Construction Paper (Gray and Pink)
- Glue
- Crayons/Markers
- Yarn/Ribbon
- Cotton Balls

## Step 1

.....

Take a Chinet bowl, draw half a heart on the bottom and color the top half gray.

## Step 2

.....

Take a Chinet dinner plate, color gray and fold in half. Attach with glue or ribbon to the head.

## Step 3

.....

Cut ears and legs out of gray construction paper and attach with glue to the head and body.

## Step 4

.....

Cut inner ears and nose out of pink construction paper and attach to the head.

## Step 5

.....

Glue six to seven cotton balls together and then to the body of the bunny for the tail.

## Step 6

.....

Glue or draw on eyes, mouth, teeth and whiskers, and you will have your own Harey the Bunny!

Better hide the carrots....
