

To Form Leaves:

ROSE NAPKIN FOLDING

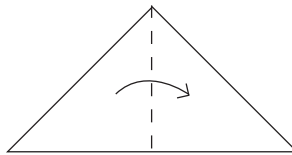

1

Start with square Chinet® Dinner Napkin completely unfolded. Fold the napkin in half diagonally.

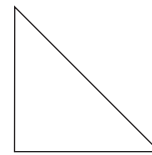

2

Your napkin should look like this.

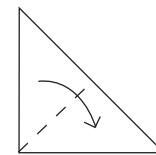

3

Fold it in half again along the long edge.

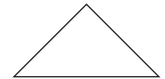

4

Your napkin should look like this.

5

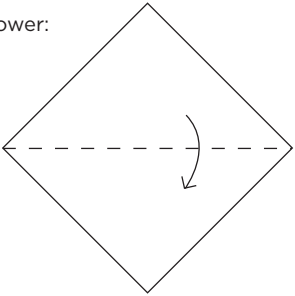

Fold it once more in half along the long edge.

6

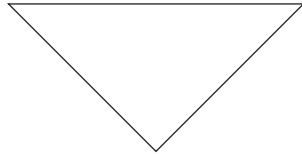

Your napkin should look like this.

To Form Flower:

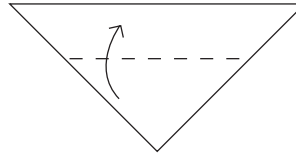

7

Start with a square Chinet® Lunch Napkin completely unfolded.

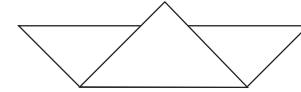

8

Fold the napkin in half diagonally and orient the napkin so longest side is at the top (the open ends are pointing toward you).

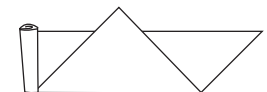

9

Fold the point facing you up,

10

so the point extends just over the top. The top and bottom edges should be parallel.

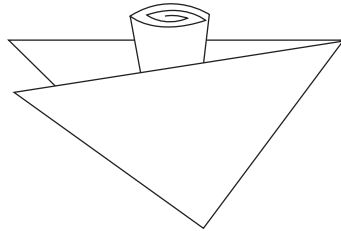

11

Begin rolling the napkin from one end.

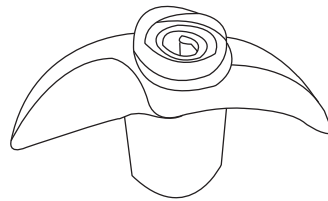

12

Guide and adjust the napkin as you roll to give it an even shape.

13

Slip the completed flower between the upper and lower halves of the leaves,

14

and arrange in the glass.
