

Christmas Napkin Fold Instructions

For other decorative napkin-folding ideas, visit mychinet.com

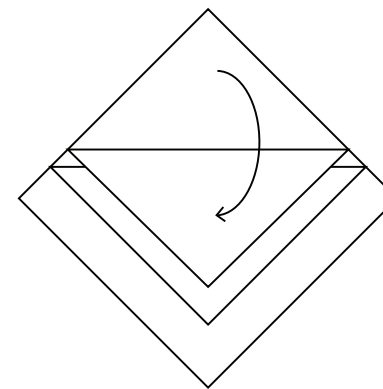

1

Lay Chinet® Classic White™ Lunch Napkin flat.

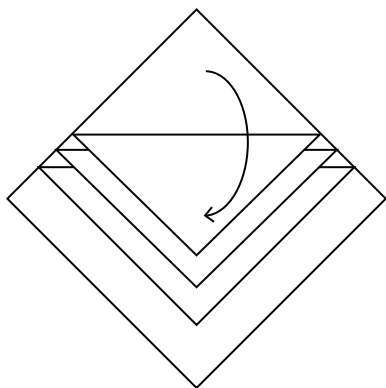

2

Fold one end top end of napkin down forming a triangle, leaving about an one-inch frame around the bottom half.

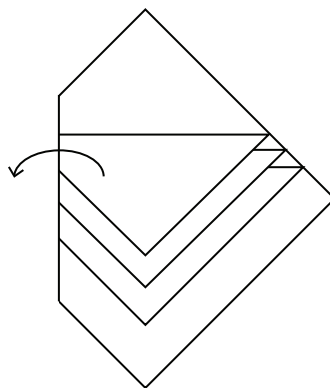

3

Fold the next top layer.

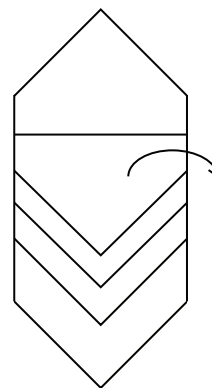

4

Repeat step 3.
With each layer the triangles should be getting smaller.

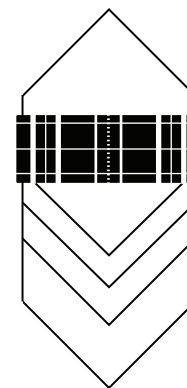

5

Fold the left side back to the center.

6

Fold the right side back to the center.

7

Add a strip of plaid fabric around the napkin fold and decorate with seasonal greenery.
