

POINSETTIA NAPKIN FOLDING

1

Start with a Chinet® Lunch Napkin completely unfolded. Make a square.

2

Fold each corner down toward the center.

3

Your napkin should look like this.

4

Turn the napkin over.

5

Fold each corner down toward the center.

6

Your napkin should look like this.

7

Reach under each corner and gently pull the loose section out and up to form the leaf.

8

Your napkin should look like this.

9

Crease the corner tip of each leaf to add dimension.

10

Optional: Add embellishment to the center.
