

CHRISTMAS TREE NAPKIN FOLDING

1

Start with a Chinet® Dinner Napkin and unfold twice to form a long rectangle.

2

On each end of the rectangle, fold in the left and right corners to the center to form a point.

3

Your napkin should look like this.

4

Fold each point to meet in the center of the napkin.

5

Your napkin should look like this.

6

Turn napkin over.

7

Fold the napkin in half so that the points are on the outside.

8

Your napkin should look like this.

9

Take only the top layer of the left corner of the napkin and fold it across to meet at the top right corner, forming a diagonal angle on the left side of the napkin.

10

Your napkin should look like this.

11

Take only the top layer of the right corner of the napkin and fold it across to meet at the top left corner, forming a triangle.

12

Your napkin should look like this.

13

Fold napkin in half...

14

to form a smaller triangle.

15

The first half of your tree should look like this.

16

Repeat these steps to form the second half of your tree. Place the two sections back-to-back to create the full tree.
