

1
Fold Chinet® Classic White™ Lunch Napkin
in half to create a triangle shape.

2
Unfold and smooth out the napkin.
Fold the left and right sides of the triangle
into the middle line, your napkin will look like a kite.

3
Take the top left corner of the folded kite and
fold it back as shown, repeat on the right side,
showing two smaller triangles that open up
on your kite-shaped fold.

4
Flip napkin over and
fold the flaps of the triangles so
they lay flat against the sides
of the ghost.

5
Now fold the left and right
corners into the middle line
of the ghost.

6
Take the point of the top triangle
and fold it down slightly
to make the ghost's head.

7
Flip the napkin back over and
make a fold for the neck,
just slightly above the ghost's
folded arms.

8
Take the bottom point
and fold it over along
the edge forming a tail.

Use a black maker
to draw the eyes
and mouth on
your ghost.
